

**DIRECTION:** Take 2 capsules per day or as recommended by a health practitioner. Do not exceed 3 capsules within 24 hours.

Nano-curcumin has anti inflammatory and antioxidant properties. Clinical research has shown that it can be used as a treatment on several inflammatory and age related diseases. It has the potential to lower cholesterol levels, improve cardiovascular health, reduce the risk of Alzheimer's and diabetes.

Daily supplement may help to clear away many of these diseases to bring back and maintain a healthy well being.
